The **Waterville Area Essentials Closet** first opened its doors on **Monday, April 17, 2017.**

The Essentials Closet has served over **1650** different people who represent more than **4500** family members in their homes.

Many of these people come back each month – and some only every few months. We also have new people every month who are seeking what we have to offer.

The Waterville Area Essentials Closet does not receive funding from the federal, state, or local government.
